

The Board's proposal to the Annual General Meeting of GHP Specialty Care AB (publ) on 23 April 2020 concerning authorisation of the Board to make a decision on a new share issue before the next Annual General Meeting (agenda item 15):

The Board proposes that the Annual General Meeting adopts a resolution authorising the Board, for a period of time no longer than up until the next Annual General Meeting, on one or more occasions and following or deviating from the shareholders' pre-emptive rights, to make a decision to issue new shares corresponding to no more than 20 percent of the Company's total number of shares by the time of the Annual General Meeting 2020. The Board shall be entitled to decide that the shares be paid for, apart from in cash, via capital contributed in kind or otherwise on terms specified in chap 2 § 5 second paragraph 1-3 and 5 of the Swedish Companies Act or that the shares shall be subscribed for with offset rights

A new share issue deviating from the shareholders' pre-emptive rights may only be utilised to finance the acquisition of a company or part of a company, and to adjust the Company's capital structure.

In the event of a resolution on a directed cash issue of shares, the subscription price of the new shares shall be set at an amount that is in close relation to the price of the Company's shares on the Stock Exchange at the time the new share issue is carried out.

The Board shall also be authorised, at the same time bearing in mind the above-mentioned conditions, to make a decision on other conditions that the Board finds necessary to carry out the new share issues.

The reason for the right to deviate from the shareholders' pre-emptive rights is (i) to enable the Company, when an occasion arises to acquire a company or part of a company, to quickly and effectively finance the acquisition either by bringing in capital or via capital contributed in kind, (ii) to raise capital to strengthen the Company's financial position, or (iii) to adjust the Company's capital structure.

Furthermore, the Board proposes that the Board or a person appointed by the Board shall be authorised by the Annual General Meeting to make any small changes to the resolution of the Annual General Meeting that may prove necessary when registering at the Swedish Companies Registration Office.

The resolution is only valid if at least two thirds of both the votes cast and the votes represented at the Annual General Meeting have been given in favour of the proposal.
